

# Laser Label Data Sheet

## -Product Data-

1. Model : LSG01 (Laser Label 50) (UL File No.: MH47907)
2. Color : Silver
3. Material : Polyester
4. Thickness : 50 $\mu$ m (+Adhesive20=> Total=> 70 $\mu$ m  $\pm$  5 $\mu$ m)
5. Adhesive Strength: 1000 gf/25mm
6. Liner : Glassine

## -Product Feature-

1. Features : Vinyl coating keep the data clearly
2. Surface printing : Rotary, Barcode Printer Can Print.
3. Data Printing : -1. Laser Print. (Laser Type: YAG, Faber)  
-2. Thermal Transfer Print

## -Product Uses Of-

1. Electronic Products And High Value Products,  
The serial number of electronic products primarily in the notation used in ,To permanently store the data will be used.

## -Product How To Keep-

1. Avoiding Direct Sunlight Should Be Kept Shaded  
Place Storage At Low Temperatures Where The Winter  
And Weakened Adhesion Wed Available.
